

Your Document

Tax Office Toolkit provides digital resources to help your Tax Office flourish before, during, and after Income Tax Season. Your file will be a Word doc, PDF, Canva link, Slide, or Zip file.

Your file will be an instant download UNLESS you opt-in for a Done-For You solution. Done-For You means that we will spend additional time enhancing the digital file to reflect your brand with assets that you provide.

Once you have your file be sure to respect the ownership.

- *FUR* means that you have *For Use Rights* to use the asset for your brand or company.
- *PLR* means you have *Private Label Rights* to use the asset for your brand or company and can resale it as is. You may not remove any pages, links, wording, or the cover images under no circumstances.
- *MRR* means that you have *Master Resale Rights* to use the asset, customize the asset, and resale it as your own.

Special Requests:

If you have any special requirements that are not mentioned on the product description, just ask.

You're making a wise decision!
